PUBLIC NOTICE

Public is hereby requested to participate in the prevention and control of Vector Borne Diseases as the state of Goa is targetting Malaria Elimination by 2020. Hence, you are required to ensure that water collection such as overhead tanks, sumps, fountains, vases, discarded items are prevented in buildings, houses, residential complexes and the surroundings as the mosquitoes prefer breeding in such rain water collection resulting in transmission of diseases like Malaria, Dengue and Chikungunya.

Therefore, you are requested to adopt measures to get rid of such source of vector breeding and diseases resulting out of the same.
